

TIME TO ORDER SPRING FLOWERS FOR EASTER SERVICE

It's a UUCB tradition for members and friends to purchase spring flowers to help the Worship Committee decorate for Easter Sunday. Once the orders forms are received, the Worship Committee will order the plants, pick them up, and decorate for Easter Morning. Please take your Spring plants home after the Easter service to grace your home.

These Spring Flowers are often given in memory of or to honor special people or life events. These statements are printed in the Easter Order of Service.

Note: Please take your spring plants home with you after the Easter service, or have a friend take them for you if you won't be at the service. Due to the difficulty of caring for these plants, all plants left in the church after the Easter service will be donated to a local health care facility or an individual.
